COCOM Document No. 3644.

COORDINATING COMMITTEE

4236081

RECORD OF DISCUSSION

ON

UNITED KINGDOM PROPOSAL TO EXPORT BEARINGS TO THE U.S.S.R.

27th July 1959

Present: Belgium(Luxembourg), Canada, France, Germany, Italy, Japan,  
Netherlands, United Kingdom, United States.

Reference: COCOM 3615.

1. The UNITED STATES Delegate stated that he was not yet able to give the final views of his authorities and would very much appreciate more time for his reply. On the 24th July he had received and conveyed to his United Kingdom colleague certain questions the answers to which would enable the United States Government to formulate their position clearly.

2. The UNITED KINGDOM Delegate stated that he had transmitted the question to his authorities. The matter would be discussed with the United States Embassy in London and the Committee would be informed after the recess of the outcome of the discussions.

3. The CHAIRMAN noted that there were no other objections or questions. The Committee would look forward to the receipt later on of the final views of the United States Delegation.
